## The Mountain Cake!

This is a foam cake form covered in fondant and then hand painted by me. The fondant covered stand is attached to the piece. If you wish to add a top tier for 'cutting' pictures you would need to purchase the piece as it would become stained from a cake sitting on top of it and I would not be able to use it again.

If you rent the piece I will check it for damage prior to your refund.

If you purchase the piece you could take home and put it on display! When you go into a fancy bakery and they have cakes on display they are more than likely a foam cake!

Purchase Price \$150

Rental Fee \$50
